Combined Synopsis/Solicitation Notice

DESCRIPTION

This is a combined synopsis/solicitation for commercial products and commercial services prepared in accordance with the format in Federal Acquisition Regulation (FAR) subpart 12.6, "Streamlined Procedures for Evaluation and Solicitation for Commercial Products and Commercial Services," as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested, and a written solicitation document will not be issued.

This solicitation is issued as an RFQ. The solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 2025-04.

This solicitation is **set-aside for small business** vendors.

The associated North American Industrial Classification System (NAICS) code for this procurement is 811310, with a small business size standard of \$12.5 Million. The FSC/PSC is J061.

The Department of Veterans Affairs is seeking a firm fixed-price service contract for the Electrical Distribution System (EDS) maintenance at the Buffalo and Batavia VA Medical Centers for one (1) base year from date of award, with the provision of two (2) option years.

All interested companies shall provide quotation via the attached "36C24225Q0696 Pricing Worksheet" excel file, updating only the unit-price column. See additional documentation required with quote at Page 5 of this document.

See attached Statement of Work (SOW) for detailed description of the requirement.

The full text of FAR provisions or clauses may be accessed electronically at <https://www.acquisition.gov/browse/index/far>.

The following solicitation provisions apply to this acquisition:

1. FAR 52.212-1, "Instructions to Offerors—Commercial Products and Commercial Services"
2. Addendum to FAR 52.212-1:
 - a) 52.204-7, System for Award Management
 - b) 52.204-16, Commercial and Government Entity Code Reporting
 - c) 52.204-20, Predecessor of Offeror
 - d) 52.204-24, Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment
 - e) 52.204-29, Federal Acquisition Supply Chain Security Act Orders – Representation and Disclosures
 - f) 52.209-7, Information Regarding Responsibility Matters
 - g) 52.229-11, Tax on Certain Foreign Procurements – Notice and Representation
 - h) 52.233-2, Service of Protest
 - i) VAAR 852.233-70, Protest Content/Alternative Dispute Resolution
 - j) VAAR 852.233-71, Alternate Protest Procedure
3. FAR 52.212-3, "Offerors Representations and Certifications—Commercial Products and Commercial Services"
4. FAR 52.212-2 Evaluation-Commercial Products and Commercial Services: The Government will award a contract to the responsible quoter whose quotation conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The Government will evaluate quotations using the comparative evaluation process outlined in FAR 13.106-2 (b) (3), where quotations will be compared to one another to determine which provides the best benefit to the Government. The Government reserves the right to consider a quotation other than the lowest price that provides additional benefit(s). Quotations may exceed minimum requirements of the solicitation. The Government reserves the right to select a quotation that provides benefit to the Government that exceeds the minimum requirements of the solicitation but is not required to do so. Each response must meet the minimum requirements of the solicitation. The Government is not requesting or accepting alternate quotations. Responses to this solicitation shall contain sufficient information to conduct a comparative evaluation of the **following factors**:
 - a) Technical: The quotation will be evaluated to the extent in which it can meet or exceed the Government's requirements outlined in the Statement of Work (SOW).

- b) Past performance: The past performance evaluation will assess the relative risks associated with a quoter's likelihood of success in fulfilling the solicitation's requirements as indicated by the quoter's record of past performance. The past performance evaluation may be based on the contracting officer's knowledge of and previous experience with the supply or service being acquired; Customer surveys, and past performance questionnaire replies; Contractor Performance Assessment Reporting System (CPARS) at <http://www.cpars.gov/>; or any other reasonable basis. No relevant past performance shall be rated as neutral past performance.
- c) Price: The Government will evaluate the price by adding the total of all line-item pricing (see attached pricing worksheet). The total evaluated price will be that sum.
- d) Site Visit: Contractors have opportunity to attend a site-visit on Wednesday, July 9th, 2025, to view the requirement at the Buffalo and Batavia VA Medical Centers. Contractors shall email the CO (Nathan.Northrup@va.gov) no later than Tuesday, July 8th, 2025, with their intention to attend and specifics will be provided in return. No other site visits will be provided. Contractors that do not attend the site-visit will not be excluded from competition, however, Contractors are encouraged to visit the site to gauge the complexity of this requirement.
- e) Veterans Involvement: In accordance with VAAR 852.215-70, Service-Disabled Veteran-Owned and Veteran-Owned Small Business (SDVOSB/VOSB) Evaluation Factors, the Government will assign evaluation credit for a Quoter (i.e., prime contractor) which is a Service-Disabled Veteran-Owned Small Business (SDVOSB) or a VOSB. To receive credit, an offeror must be registered and verified in the SBA VetCert database at time of quotation submission and at time of award (<https://veterans.certify.sba.gov/>) and must meet federal small business size standards for the North American Industry Classification System (NAICS) code assigned to this solicitation. Non-SDVOSB/VOSB quotations that use SDVOSBs or VOSBs as subcontractors will receive some consideration under this evaluation Factor. Quoters must state in their quotations the names of the SDVOSBs and VOSBs with whom they intend to subcontract and provide a brief description of the proposed subcontracts and the approximate dollar values of the proposed subcontracts. In addition, the proposed subcontractors must be registered and verified in the SBA VetCert database (<https://veterans.certify.sba.gov/>) and must meet federal small business size standards for the NAICS code assigned to this solicitation at time of both quotation submission and at time of award.
- f) Options: The Government will evaluate quotations for award purposes by adding the total price for all options to the total price for the base requirement.

The following contract clauses apply to this acquisition:

5. FAR 52.212-4, "Contract Terms and Conditions—Commercial Products and Commercial Services" [NOV 2023]
